

Content	Got It (2)	Almost (1)	Not There (0)	
<b>Organization of Cards</b>	A <b>title</b> card, <b>content</b> cards, and <b>bibliography</b> card that document sources including Internet Site names and addresses.  Link buttons make sense	Title and/or bibliography card does <u>not</u> exist or lacks sufficient information.  Some link buttons don't make sense	<u>No</u> title or bibliography card.  No link buttons.	<input type="checkbox"/>
<b>Design</b>	All of the cards are <b>easy to view</b> . Cards are not crowded and text is easy to read.	Content is crowded on some of cards. Text is hard to read on some cards (font size too small or the shade is similar to the background color).	All cards are hard to read. Content is crowded and color schemes make reading text difficult.	<input type="checkbox"/>
<b>Spelling</b>	Presentation has no spelling mistakes.	Presentation has more than a couple of spelling mistakes (3-5)	Presentation has many spelling mistakes (more than 5)	<input type="checkbox"/>
<b>Graphics</b>	<b>Pictures</b> are used to <u>reinforce</u> message (to make a point or support a fact).  Images used from an outside source are properly <b>cited</b> including Internet site name and address.	Some pictures are used, <u>not</u> all reinforce the message. Images used from the outside are <u>not</u> properly cited.	No pictures or charts are used OR pictures are used that do <u>not</u> reinforce message. <u>No</u> citing of outside images.	<input type="checkbox"/>
<b>Audio, Animations, Video</b>	<b>Audio clips</b> and sounds <u>reinforce</u> message. <b>Animations</b> or <b>video clips</b> are <u>relevant</u> to the message.  Outside sources are properly <b>cited</b> including site name and address.	Audio, animations, and videos are used however, some or all do <u>not</u> reinforce the message or are distracting.	<u>No</u> audio, animation or video clips are included.	<input type="checkbox"/>
