

SKAT Activities 04/05

- Fencing:** Participants will create replica swords and learn the art swordsmanship as well as have a possible contest at the end of the session.

- Debate:** This activity offers the chance to polish up those argumentative skills! Lots of fun and a chance to debate current, important events.

- Chess:** This activity will sharpen your chess skills. All skill levels are welcomed! Some techniques will be discussed and taught!

- Fly-Tying:** This will be a mini-course consisting of four sessions. You will learn the art of fly-tying and will make flies which you may keep, just in time for fishing season!
